

INDUSTRIAL VISIT REPORT

An industrial visit was organized by the department of Computer Science of Prajyoti Niketan College, Pudukad to iDataalytics, Infopark Phase 2, Kakkanad, Kochi on November 11, 2022. The visit included sessions on Soft Skills Development, Artificial Intelligence, and Data Science. The visit provided valuable experiential learning for the 33 third BSc Computer Science (2020-2023 batch) students who attended, as they gained insight into the workings of a technology company and learned about various technological concepts and were accompanied by Dr. Sonia Sunny (Associate Professor and Final year Class-In-Charge), Ms. Anjana Abhilash (Asst Professor) and Dr. Jinto James (Asst Professor). The Infopark campus, with its 260 acres of space and 540 operational companies, was also a source of inspiration for the students. Overall, the visit was fruitful and informative, and it offered the students a glimpse into the world of technology and its applications.
